Can We Recommend Wedding Venues? You Bet We Can!

Posted on: 1 March 2017    By: Brian and Mick

Q: Can you suggest any wedding venues?

Can we!
Yes, of course, we can!

We have had the most amazing opportunities to provide catering services for weddings and other events at some really great New England event venues.

We cater lots and lots of weddings by the oceanside. There's nothing quite like a New England Clambake or Surf 'n' Turf menu accompanied by the sound of the waves crashing on the shore.

We've worked with many couples who have decided they'd like a rustic-style wedding. These are often held in a venue with a barn or maybe an empty warehouse or other workshop-type area. Rustic and country-themed weddings have been very popular. Our outdoor catering style is perfect for these styles of wedding and other events.

We have highlighted a list of New England event venues that we have enjoyed working with. We have found each of these venues to have its own unique personality while providing personalized attention to the couples and their families.

We would be really happy to talk with you to answer any of your questions about our own experience at each of these venues. Give us a call to get some insights from our event planners.
Q: Can we create our own menu?
A: Feel free to mix and match to create your own menu and we will be more than happy to price it out for you!

Q: Can we supply some of our own food, such as desserts or appetizers?

Q: Can we create our own menu, or do we need to pick from your menu only?
A: Feel free to mix and match to create your own menu and we will be more than happy to price it out for you!

Q: How far do you travel?
A: We travel all over New England and beyond. Let us know what you need and we will be happy to send our menus out to your right away!

Q: Is there a minimum number of guests?
A: No. We cater to all different size groups.

Full Service Catering:
Great Catered Clambakes, Barbecues, Picnics, equipment, paper products and condiments are all available from us. We cater to all different size groups.

Sure, you choose the level of service that fits your needs and budget. Choose our BYOB option for your bartending needs.

I highly recommend B & M for all your catering needs. I used them for a surprise birthday party and all the food was fantastic. Exactly what I ordered and prepared perfectly. They have a great staff and ordering was easy too. My family looks forward to using them again.

We just love the autumn air. This weekend, our catering crew will be bringing traditional clambakes and barbecues to venues across beautiful New England. From Arrowhead Acres in Uxbridge, MA to Terrydiddle Farm in Sandwich, MA. We’ll be sending a team on over to The Overlook at Geer Tree Farm in Griswold, CT and other teams to spots across Cape Cod and Rhode Island. It’s great to be a New England Caterer.
